Re: *United States v. John Muyet* -- [Habeas Petition]  
95 Cr. 941 (LAP)  
03 Civ. 4247 (LAP)

  
LORETTA A. PRESKA, U.S.D.J.

Dear Judge Preska:

I represent John Muyet, the petitioner in above referenced matter. The case involves a successive habeas petition raising a *Davis* related claim based upon Mr. Muyet's multiple convictions for violations of 18 U.S.C. 924(c).

Procedurally, I have submitted the successive habeas petition (the "Petition") along with a supporting memorandum of law. The Government has responded to these submissions. I am contemplating submitting a reply in further support of the Petition. In addition, due to recent developments in the law, for example, the Second Circuit's rulings in *U.S. v. Eldridge*, 2021 WL2546175 and *U.S. v. Heyward*, 2021 WL 2638609, the reply may include supplemental argument in support of the Petition.

In light of the foregoing, with consent of the Government, I respectfully propose the following briefing schedule:

Petitioner's reply/supplemental submission due September 13, 2021  
Government response due November 1, 2021

Respectfully submitted,  
/s/  
Jeffrey G. Pittell
